This student list was initially based on nearly complete information provided by E. Clay Warren, who was a student in the Class of 1949. In 1999 he wrote, "Many other young, eager faces are well remembered, but their names are lost in the fog of time." The total enrollment in G229, a 6-credit course, that summer was 42, with three Graduate Assistants (Cotton Sublette, Ken Waters, and Thomas Hendrickson) and Deiss and Vitaliano as faculty. Thanks to Marcia Engle Moore, the list is now complete.
